- Education and Training Information
- Employment Services of Individuals with Disabilities
- Current Labor Market Information
- Community Resources Information

This Career Center is an equal opportunity employer.  
Auxiliary aids and services are available upon request.

## ASSISTIVE TECHNOLOGY

Accessible Workstations – Each location of the North Shore Career Center have workstations available to our customers equipped with the following assistive technologies:

- **Height-adjustable computer desks**
- **JAWS Software:** a complete “screen reader” for users who are blind or visually impaired
- **ZoomText Software:** magnifies the computer screen
- **Open Book Software:** converts scanned text into computer documents that are read aloud with a speech synthesizer
- **Adaptive Mouse Controllers**
- **Dragon NaturallySpeaking:** speech-recognition software used in place of typing

It is expected that users of these accessible workstations be familiar with the use of this assistive technology. Community referrals for assistive technology training are available.

### Additional Assistive Technology

- **Assistive Listening Devices:** FM Loop System and Pocket Talkers are available to assist job seekers with hearing impairments during workshops.
- **CCTV:** “closed circuit television” magnifies hard-copy documents for persons with visual impairments.
