Connecting Workers and Employers

What is NESP?

The Northeast Energy Sector Training Partnership is a grant designed to support training for the North Shore, Merrimack Valley and Great Lowell Workforce Investment Board regions' unemployed, underemployed and incumbent workers and companies in energy efficiency and renewable energy field.

The purpose of the partnership and grant is to create an integrated system of education and training that promotes skill attainment and career pathway development benefiting both businesses and workers in the energy efficiency and renewable energy field.

Key Partners

- **North Shore Community College, Northern Essex Community College, Salem State University and UMASS Lowell**
- **Diverse group of Employers**
- **North Shore Workforce Investment Board & One-Stop Career Center**
- **Great Lowell Workforce Investment Board & One-Stop Career Center**
- **Merrimack Valley Workforce Investment Board & One-Stop Career Center**

What's in it for you?

The Northeast Energy Sector Training Partnership will provide “green”/clean energy companies with the well-trained and skilled workforce they need to succeed. As well as educate and train their current workforce.
