

## Adult Basic Education Survey Results Employment and Wages by Type of Class Supplement

The following provides a supplement to the Adult Basic Education Survey conducted by the North Shore Workforce Investment Board, in conjunction with our Adult Basic Education Providers. This supplement filters the Adult Basic Education Respondents by the type of classroom instruction that they received and shows their responses to selected employment and wage related questions. Please note the percentages maybe add to 100% due participants being able to select more than one response to certain question.
